

ROYALS & RAYETTES

November 2013

Jack & Jill of America, Inc.

Overall, the Nov 2 Linked Up Conference was a success! Our teens participated in two modules: **Winning in Life: How to Get Along With Anyone, Anytime, Anywhere** AND **Be the Change You Wish to See in the World**. The teens enjoyed **Be the Change**- a module on Community service learning because they could relate to the topics discussed. Thanks to our R&R Mom's that stayed the whole day and assisted with morning drop off.. Our overall success couldn't have taken place without time contributions from Mary Rousseve, Kim Odom, Ronald Washington, especially Kim Littleton who stayed the entire day to assist with our teens and Kathryn Marrero's beautiful mother who helped out and participated in the learning along with us in the trainings! We appreciate that we had an outstanding turn out and look forward to all of our events remaining positive and informative for our Royals & Rayettes..

R&R Teen Meetings are always on 2nd Sundays from 4-6

Our teens did a phenomenal job taking care of business from their own agenda at their October Teen Meeting. We had a turn out of 10 teens and are looking forward to seeing even more teens tomorrow at Zoë's Kitchen @3838 Westheimer Rd River Oaks location. Be sure to bring your Financial Literacy Workbooks because our teens have an activity on their agenda that will get the teens prepared for the Financial Literacy Training next weekend. **Remember Financial Literacy serves as a Teen Module credit and cost \$10 to attend.** Teens that attend the R&R teen monthly meetings get to hear first hand about upcoming activities and give their input on what they would like to do during grade group activities. Don't forget to have the teens bring loose change for their Foundation Contribution Jar.

Learning & Teen Collaboration from 4-6 every 2nd Sunday!!

Happy November Birthday to: Nia Caldwell 11/27 Weller Carmichael 11/8 Bayley Carmichael 11/19

Houston
